

Collaborate APAC 2023 – Program Agenda

25 October 2023

Sunway Resort Hotel, Kuala Lumpur, Malaysia

8.00 am	Registration, Networking Breakfast & Showcase Visit
9.00 am	Welcome Remarks Adam Sobieski, Regional President, APAC, Universal Robots
9.15 am	Opening Keynote: Redefining Automation with UR Next Generation Cobot Lars Bach, Head of R&D Cobot, Senior Director, Universal Robots
9.40 am	Session 1: Re-automated: Discovering Robotic Material Handling and Welding Ridzwan Mustafah, Technical Manager, APAC, Universal Robots
10.00 am	Session 2: Transforming the World of Palletizing through Collaborative Automation Danny Yap, Sales Director, APAC, Robotiq
10.15 am	Session 3: Driving Automation through Efficient & Sustainable Surface Preparation Manoj Soni, MD & Regional Director, Asia Pacific Region, Mirka
10.30 am	Networking Tea Break & Showcase Visit
11.10 am	Session 4: Sensata’s Journey to Collaborative Automation Muhammad Shahrul Hafizan Bin Ahmad Fadzil, Equipment & Process Engineer, Malaysia, Sensata Technologies
11.30 am	Session 5: Empowering Robots with 3D Vision and AI Irene Yang, Director for Asia, Oceania & Middle East, Mech-Mind Robotics
11.45 am	Session 6: Prioritizing Safe Robotics: Advancing Collaborative Robot Safety Tan Seng Yew, Hub Director, Malaysia and Indonesia, SICK Sensor Intelligence
12.00 pm	Session 7: Let’s Move Vincent Teo, General Manager, SCHUNK Intec
12.15 pm	Session 8: VISOR “Guided” Robotics Patrick Schneider, Sales Manager Export Africa/Scandinavia and Eastern Europe, Claudius Koldau, Sales Manager South East Asia & Pacific, SensoPart Industriesensorik
12.30 pm	Networking Lunch & Showcase Visit

1.30 pm	<p>Panel Discussion: Collaborative Automation: Paving the Way for Industry 5.0 in Asia</p> <p>Moderator: Dr Yeong Che Fai, Associate Professor, University of Technology Malaysia</p> <p>Panellists: Kok Chee Kheong, Director of Operation Engineering, Flextronics Dr Ishkandar Baharin, President, Malaysia Robotics and Automation Society Akmarizwan Asrokin, Director of Operations, Malaysia, Sensata Technologies Lars Bach, Head of R&D Cobot, Senior Director, Universal Robots</p>
2.10 pm	<p>Session 9: Plasform's Journey to Collaborative Automation Eddie Fong, Managing Director, Plasform</p>
2.30 pm	<p>Session 10: Empowering the Semi-Conductor Industry with Collaborative Automation Li Wei, CEO and Co-founder, Kuqi Intelligent Technology</p>
2.45 pm	<p>Session 11: Screwbotics - Automated Tightening System for Lightweight Robots Wan Weng Keong, Managing Director, Malaysia, DEPRAG</p>
3.00 pm	<p>Session 12: pneumagiQ - Simplifying High Payload Machine Tending for UR20 Anuj Bihani, Founder & CEO, Impaqt Robotics</p>
3.15 pm	<p>Networking Tea Break & Showcase Visit</p>
3.45 pm	<p>Session 13: Increase the Flexibility of Your Universal Robot with Zimmer Matthew Teo, Sales Manager, Zimmer Group Asia</p>
4.00 pm	<p>Session 14: Autonomous Mobile Robot (AMR): Critical Component for Industry 5.0 Nik Faisal, General Manager, DF Automation & Robotics</p>
4.15 pm	<p>Session 15: Automation Made Easy with Handling-sets: Plug and work Vacuum Handling Solutions for Cobot Oliver Brändle, Manager, International Industry Segment and Key Account Management, Robotics, Schmalz</p>
4.30 pm	<p>Session 16: New LINAK® Lifting Column Takes Your Cobot Palletizer to New Heights Jens Karing, Managing Director, Malaysia, LINAK Actuators</p>
4.45 pm	<p>Lucky Draw, Happy Hours & Showcase Visit</p>
5.30 pm	<p>End of Event</p>
